FROM: Beirut

T0: Secretary of State

NO: 427, October 18

## POLICY

American representative here states Marine and Isthmian Lines is delighted by new USG regulations re Cuban shipping. He says American shipping companies will now get much bigger share of US business. He notes, however that new USG regulations render virtually useless American shipper's efforts to get Arabs to stop blacklisting American ships which trade with Israel. When Egyptian officials jibed him re new USG regulations, Isthmian agent replied, "we have learned from you".
